## UPDATE YOUR SPACE

Looking to freshen up your home with something other than a new coat of paint? These local businesses offer a variety of options that will add whimsy to your family room, elegance to your dining area and an enhanced curb appeal that is both attractive and functional.

### SIMMS FURNITURE & INTERIORS

The allure of the Camille tuxedo sofa from Lexington is its detailed tufting and high track arm—traditional but modern, and available in leather. You choose the finish on the nailhead trim at no extra charge! The Monaco offers the same frame with a single-seat bench cushion.

### DOMINION LIGHTING

The Palma pendant's elegant silhouette and pineapple motif artfully combine elements of '80s revival, mid-century modern, and even tropical Art Deco. Use this fanciful fixture to add instant warmth, interest, and delight to any room. On display in our Arlington, Virginia, flagship.

### NANCY HAMMOND EDITIONS

Brighten your space with a distinctive piece by artist Nancy Hammond. She works with mixed media to create original art that captures the beauty of the Chesapeake Bay area. Find "Plumage" (pictured left) and other works like it in her flagship gallery in Annapolis, Maryland.

### LONG FENCE

It's not decor and furniture that make your home's first impression—it's your yard. Protective fencing pairs beautifully with walkways and columns to create a welcoming entrance that complements and elevates your entire property. Schedule a free estimate and start designing your home's new first impression.

### DULLES ELECTRIC SUPPLY

A modern chandelier not only illuminates a space. The right one is also an eye-catching statement piece. The Geode from Kuzco Lighting takes a sophisticated approach with omnidirectional, gemstone-shaped lights that glisten with a brushed-gold or black finish—like a work of art hanging from your ceiling.
