What is Avail?

Avail simplifies access to car sharing. Our cars are owned by real, local people, but we take care of the car exchange, cleaning, inspection and insurance process so it's easier for the borrower and the owner of the car. At our neighborhood locations, borrowers follow wayfinding signage to the Avail parking area and retrieve their vehicle's keys from a key box.

How it works:

Choose a car & book online
Find the closest Avail location and book a vehicle online. The car they pick is the car they'll get.

Grab the keys & go
Arrive at the Avail location and follow the signs to the key box. They'll unlock the key box from their phone, grab the keys, find the car and go. It's that simple.

Why borrowers love us:

Honest pricing: Upfront, affordable rates with no hidden fees.
Convenience: Self-service pick-up and drop-off at our neighborhood locations around the city.
Choice: We have the perfect fit for their trip from city-smart sedans to spacious SUVs.
No choosing plans: Insurance coverage from Allstate and 24/7 roadside assistance are included in every trip.

FAQs

Where do I pick up and drop off my vehicle?
Avail has multiple locations throughout the city, including right here in their building. Borrowers will pick up and drop off their vehicle at the same Avail location.

What's required to drive an Avail car?
All drivers must be 18 or older and have a valid U.S. driver's license (probationary and provisional licenses are not accepted), a clean driving record and a debit or credit card to reserve a vehicle (pre-paid debit cards are not accepted).

Is there a daily mileage limit?
Total trip mileage is limited to 150 miles per day. That means a 3-day trip is allowed up to 450 total miles before incurring a fee of an extra $0.50 per mile. We calculate total mileage by looking at the odometer before and after the trip.

Do I have to refill the gas tank?
Yes, please refuel your vehicle to the level of gas that was provided at pick up.
